

Adding Content the Film Freeway’s Press Kit (including trailer)

In order to add the 10 to 20 second trailer with the film submission, you must create this clip ahead of time. Save as an MP4 file with H264 compression OR upload it to YouTube or Vimeo and include the link.

Then when you are submitting your film, scroll down before clicking save under your film upload.

This is where the “press kit” information is located.

Click on the “**Add a trailer**” icon.
